A COMMUNITY OF TECH

So much has changed since the birth of Communitech The wildfire startup movement, growth of our hometown heroes, the rise of the Toronto-Waterloo Corridor and the arrival of global brands in our community are just a few examples of the progress we've seen One thing that hasn't changed is our reason for being: Communitech helps tech

When Change in the Self Is Mistaken for Change in the World

people who have themselves changed overestimate the extent to which the world has changed As this existing research implies, people can arrive at exagger-ated perceptions of change in the world in two ways Most com-monly, perhaps, it results from an automatic assumption that the difference lies in what is seen to be different—the world
